Gratitude & Greetings

We are exceedingly grateful this time of the year as we look back over the year at how God has provided for the ongoing needs of the children of Omoribe. We are blessed with dedicated staff and generous supporters that assure these children do not have to worry about what they will eat or where they will sleep. May God continue to bless you and the ministry as we seek to be obedient in caring for the orphans.

Merry Christmas and Happy New Year!

Omoribe Graduates

CONGRATULATIONS! The Omoribe Project is proud to announce that its Form 4 students successfully completed their four years of secondary education and have passed the examinations to earn their Kenya Certificate of Secondary Education.

We wish them each success in their future endeavors, whether that be continuing their education with technical or university training or in a job. If you are interested in sponsoring students seeking to continue their education, please visit our website or contact us for more information.

Print That

Once again, we are happy to be able to meet the needs of both the staff and the children of Omoribe through generous donations which made it possible for us to purchase a printer. This enables Obed, our director, to print legal documents, generate material for lessons, exams and other documents needed for daily activities. Thank you for making improvements like these possible. The Omoribe Children's Home and School is looking forward to more progress in 2024.

Vital Vittles

Rising food prices and the imperative task of feeding the growing children of Omoribe make securing funding for food our top priority. Each day, it is our dedicated staff's responsibility to provide meals for an average of 33 children. To ensure these children receive basic nourishment, we require \$1,155.00 for food each month or \$35 per child.

This ongoing challenge highlights the urgent necessity for support and donations to sustain the food program at Omoribe. Our dedication is unwavering assuring that these children have a consistent source of nutrition. Every contribution, no matter the size, has a positive impact on improving their lives. By supporting Omoribe, you are making a vital investment in the future success of Kenya, as these children represent the potential and promise of the nation. Together, help us make a lasting difference in their lives through your generous support.
